Inventory:

- 3 slots per page, maximum of 9 rotating ads per city

Spec Requirements:

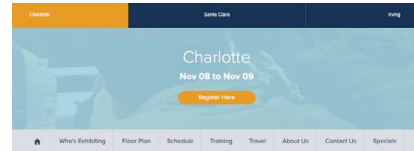

- GIF, PNG, SWF (flash), or JPEG files are accepted.
- Desktop – 300 pixels wide x 250 pixels high

File Size:

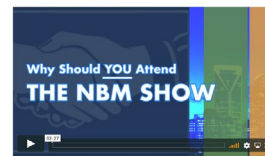

- Static (JPG or GIF): Max 50kb
- Animated (SWF or GIF):
Max 100kb (40kb initial download file weight)
Rich Media Accepted

Design/Technical Guidelines:

- Ads should have a 1px border to contain the design.
- Animations may loop no more than 3 times or go static after 30 seconds (15-20 fps).
 - Recommended Animation Length: 15 seconds, no blinking
- Audio Should be muted by default with a press-to-play or remute button
- City-specific Web Billboard ads are rotated through three right-hand advertising spots on popular content pages of the graphics-pro-expo.com website including city landing pages, hotel & travel, education and FAQs. Each time a page is loaded or refreshed, scheduled advertisements for that city rotate between these positions.
- To see an example go to graphics-pro-expo.com, click on any of the live cities and navigate through the pages to see the rotating ads on the right side of the page (or at the bottom of mobile versions).
